

Table with columns for Plan Name, Period, Object, City, Objectives, Results, and Quantitative Indicators. Includes a table for 'Quantitative Indicators Definition and Calculation Formula' with columns for Current, Intermediate, and Final target values.

事後評価（中間評価）

Table for 'Implementation System and Period of Post-evaluation (Intermediate Evaluation)'. Includes fields for implementation system, period (平成27年度), and publication method (市川市ホームページに掲載).

1. 交付対象事業の進捗状況

Main progress table with columns for Project No., Type, Area, Recipient, etc. Divided into sections A (Core Projects), B (Related Social Capital Improvement Projects), and C (Effect Promotion Projects). Includes a summary table at the bottom with columns for No., Overall Effect, and Remarks.

※交付対象事業については、できるだけ個別路線ごとに記載すること。

2. 事業効果の発現状況、目標値の達成状況

Table for 'Status of Effect Manifestation and Achievement of Target Values'. Section I: Qualitative indicators. Section II: Quantitative indicators achievement status (Target vs. Actual for seismicity, etc.). Section III: Qualitative indicators other than quantitative ones.

3. 特記事項（今後の方針等）

Text describing future policies and measures, including the continuation of seismicity improvement projects and disaster prevention measures.
