# Separating and Disposing Recyclables and Garbage in Ichikawa City

## Separating recyclables

### Plastic containers and wrapping **Wed.**

Items must have a plastic or PET mark

- PET bottles
- Other bottles
- Candy packages
- Tubes
- Food trays
- Disposable containers such as instant noodle cups
- Packaging such as Styrofoam
- Caps

**Disposal**  
Empty the contents and lightly rinse the inside of the item, and then place it in a designated bag for "Plastic Containers and Wrapping". Before placing a PET bottle in a designated bag, remove the cap and label, and then crush the bottle.

### Bottles and cans **Fri.**

- Food and drink containers
- Cans

**Disposal**  
Lightly rinse the inside of the item and then place it in a transparent or translucent bag or a designated bag for "Recyclable Bottles" or "Recyclable Cans". Separate bottles and cans.

### Papers **Mon.** Do not put out papers on rainy days.

- Newspapers
- Magazines
- Cardboard
- Paper cartons
- Other recyclable paper

**Disposal**  
Bundle each type of item and then tie string around the bundle to form a cross shape. Do not bundle items using adhesive tape, place them in a plastic bag, or put them together in a cardboard box.

**Disposal**  
Bundle recyclable paper only. Insert between magazines. Place in a paper bag.

### Textiles **Mon.** Do not put out textiles on rainy days.

- Wearable clothes (including winter clothing and suits)
- Cotton goods
- Sheets
- Blankets made of a material similar to a towel

**Disposal**  
Wash items and then place them in a transparent or translucent bag.

### Pruned branches **Fri.**

- Branches with 10 cm or less in diameter and 50 cm or less in length

**Disposal**  
Gather branches in a bundle with a diameter of 30 cm or less and then bind the bundle with string. You can put out up to three bundles at a time.

Diameter: 30 cm or less

## Separating garbage

### Burnable garbage **Tue. Thu. Sat.**

- Plastic items without a plastic or PET mark
- Soiled plastic containers and wrapping
- Rubber and vinyl products
- Food scraps
- Leather goods, fabrics, and underwear
- Paper diapers (flush waste down the toilet)
- Leaves and grasses

**Disposal**  
Place items in a designated bag for "Burnable Garbage". Drain the food scraps thoroughly before placing them in the designated bag.

### Non-burnable garbage **Fri.**

- Edged tools
- Broken items
- Umbrellas
- Pots
- DVD players and videocassette recorders
- Frying pans
- Spray cans (use up contents before disposal)
- Vacuum cleaners

**Disposal**  
Place items in a designated bag for "Non-Burnable Garbage". Wrap broken items and edged tools in newspaper or other similar material and write "キケン" (Danger) on the newspaper before placing them in the designated bag.

Umbrellas and vacuum cleaners may stick out from a designated bag.

### Hazardous garbage **Fri.**

- Fluorescent tubes
- Medical thermometers and blood pressure meters that contain mercury
- Dry batteries

**Disposal**  
Place in a transparent bag or in a translucent bag that leaves the contents visible. Before placing fluorescent tubes in a bag, place them in their paper case or wrap them in newspaper or other paper.

**NEW**

### Small rechargeable batteries **Fri.**

(Lithium-ion batteries, nickel-metal hydride batteries, nickel-cadmium batteries)

Use these symbols as a guide

- Lithium-ion batteries
- Nickel-metal hydride batteries
- Nickel-cadmium batteries
- Shavers
- Portable battery chargers
- Digital cameras
- Electronic cigarettes (excluding those subject to collection by their manufacturer)
- Portable electric fans
- Electric toothbrushes
- Smartphones and tablets
- Electric bicycle batteries
- Portable game consoles and game controllers

**Disposal**  
Insulate the batteries by wrapping their ends in vinyl tape, etc., and then place them in a transparent bag or translucent bag which leaves the contents visible

### Please recycle small consumer electronics

For effective use of resources, collection locations have been set up for cell phones, digital cameras, and other small used consumer electronics.

Scan the 2D code for more details

### The city cannot collect or dispose of the following items

- Items subject to the Home Appliance Recycling Law (TVs, washing machines, clothes dryers, refrigerators, freezers, cooling boxes, cooling/warming boxes, and air conditioners)
- Desktop personal computers (main unit), CRT displays (including integrated models), and liquid crystal displays (including integrated models)
- Fire extinguishers
- Propane gas cylinders
- Motorcycles (including scooters)
- Disassembled parts of automobiles and two-wheeled vehicles
- Kerosene, gasoline, and oil
- Pianos, fireproof safes (excluding portable safes), medicines, business equipment, soil, stone, and gravel
- Residential medical waste (syringes, injection needles, and other sharp items, and medicines)

To dispose of these items, check the official Ichikawa City website (using the following 2D code) or the Garbage Separation App.

Garbage from eating/drinking establishments such as restaurants and business offices cannot be put out to household garbage collection location. To dispose of these items, check the official Ichikawa City website (using the following 2D code).
